SUBJECT GUIDE 8 : LISTS OF SERVICE PERSONNEL IN FIRST AND SECOND WORLD WARS

Issue no. 11

November 2002

Listed below are those records which contain the names and, in some cases, other information, of those who served in the First and Second World Wars. The list is arranged alphabetically by place. It must be emphasised that this list is only a brief guide to the records, and more details are available in the catalogues to the documents which should be consulted before documents are requested; the catalogue references are given in the fifth column below.
